## CHARLESTON TRACK OPENS

RACING IS AUSPICIOUSLY INAUGURATED AT NEW SOUTH CAROLINA COURSE.

Elite of City Take Part—H. G. Bedwell Almost Monopolizes the Purses—Tactical Victory for Racing Interests at Columbia.

Charleston, S. C., January 24.—Racing was inaugurated today at Palmetto Park under ideal conditions and the marked success attending the beginning augmented well for the sport locally. Charleston's elite lent eclat to the occasion, members of the first families of the city being prominent in the private boxes and the reserved section of the grandstand. They showed a great deal of interest in the racing and its attendant incidents. Numerically the attendance exceeded the expectations of the management, for nearly 5,000 persons were on hand when the bugle called the horses to the post in the initial number.

The crowd would have been much larger but for abominable street car service. Complaints on this score were plentiful and it was the only marring feature.

Continuous labor on the part of an army of workmen almost up to post time brought the plant into fairly presentable shape, better than it was thought possible a week ago. There were crude spots, but these were overlooked in taking in the general appointments and magnitude of the plant.

General Manager Pons and his associates were elated over the success of the opening. Mr. Pons said, in reference to it: "We are well satisfied with conditions such as prevailed today and I look for steady improvement from now on. It has been our object to establish high class racing here, and it is gratifying to note that our efforts have been appreciated, as evidenced by the representative and fashionable attendance at the track this afternoon. Whatever minor details pertaining to the track are lacking will be put in shape before long and Palmetto Park will then compare with the finest courses in America."

In the opening race three of the six starters fell near the half mile post. Some attributed the spill to the bad state of the track, but the mishap was really brought about by Husky Lad, on which McCabe had the mount, tripping over a stray dog which got in the horse's path. Descomnets, on which Obert had the mount, and Bettie Sue, handled by Hopkins, could not avoid Husky Lad and fell over him. Descomnets sustained severe injuries and it may be necessary to destroy him. Obert suffered bruises about the back and the others involved escaped injury. Jockey Turner, while riding Queen Bee in the second race, also came to grief. His mishap was due to the filly stepping into a soft place. Many of the starters in the different races stumbled frequently and it probably will be several days before the track becomes thoroughly solid all over.

H. G. Bedwell cut a big swath in today's racing, four of the purses, including the $1,500 feature, the Sumter Inangural Handicap, were captured by his representatives. In the feature race his horses finished first and second. Lochiel, of which much was expected as a youngster, displayed a return to the good form that he possessed as a two-year-old, beating his stable companion, Sticker, by a big margin for first money. Rose Queen inaugurated the Bedwell successes by lasting just long enough in the opener to beat Troy Weight. Pajaroita, in the third, showed good form to outstay Union Jack, and Berkeley followed up Lochiel's success in the handicap by spreadeagling his opposition in the fifth race.

Mamita was the only long-priced winner of the afternoon. Helene, in the closing dash, made some amends for the disappointments occasioned by the fall of her stable mate, Husky Lad, in the opener. Husky Lad probably would have won but for his mishap.

News that the racing interests had scored in the opening skirmish of the legislative battle being waged in Columbia over the anti-betting bill was received with glee at the course this afternoon. Senator Carlson, author of the bill, failed to have his measure advanced to a third reading by a suspension of the rules. The upper branch of the legislature showed hostility towards the move and warm opposition on the part of several senators against the plan of according the bill special privileges caused Senator Carlson to withdraw his motion. Today's test of strength in the legislature developed that the racing interests are gaining ground and stand a splendid chance of defeating the measure. It is generally held to be certain that the bill will never pass both branches of the legislature in its original form.

Fourteen bookmakers cut in, eleven in the big ring, one in the ring for colored patrons, and two fielders. Speculation was light, but when matters get straightened out, it should improve. A list of the layers follows: T. J. Shaw, John Lewis, "Frisco" Garner, Steve L'Hommedieu, James Jackson, "Stoney" Abrams, Henry Haines, Charlie Walters, Gene Austin, Jack Horner, George Gurton, George McRoberts, and Oscar Rockman.

Among the arrivals this morning were Frank W. Thorpe, George Reardon, Gus Muller, W. T. Anderson, George Reif, Frank Bray, John McLaughlin, William Gerdes and Tom Shaw.

William Beverley came over from Summerville, but did not cut in. He will probably be in line at the next drawing, as will Sam Stephens, A. Hauf and others.

J. Beyer, who has charge of P. S. P. Randolph's horses, came over from Aiken. He reports Racquet, which broke down at Laurel, as going soundly and also that Plate Glass and Besom have taken on over 100 pounds of flesh since they left Jamestown. The Randolph horses will be shipped to Palmetto Park about February 5.

A special scale of weights, similar to those of the Southern Jockey Club, has been adopted by the local association with the approval of Messrs. Daingerfield and Smith. The Jockey Club does not provide any scale for the winter months.

J. B. Campbell acted as one of the stewards, with Messrs. W. P. Burch and E. C. Smith.

E. H. (Snapper) Garrison introduced a new rider this afternoon in A. Ferguson, a lad who has been in the employ of August Belmont for four years. Ferguson had three mounts, on Tahoma, Maromara and Premier. He finished third with two and rode a good race on Premier.

An effort will be made to save Descomnets, one of the horses that fell in the first race. Descomnets stumbled over Husky Lad and injured a shoulder. Dr. Talbot has hopes of bringing the horse around.

The books cut in for two days. J. Oscar Holder is the ring manager here and is assisted by William Maher.

Jockey Obert, who had the mount on Descomnets, escaped with a sprained back. His injuries will keep him out of the saddle for several days.

Algernon Daingerfield will remain here until Saturday, when he will return to New York.

The Jacksonville delegation that came up to witness the opening was especially strong. Many of them will remain for the rest of the week.

After today's races a number of automobiles circled the track several times and did effective work by showing up the weak spots and leveling off some of the rougher edges. They will be similarly employed tomorrow and by the end of the week the course should be in excellent condition.

## FREQUENT WINNERS OF THE YEAR RECENTLY ENDED

It is quite natural that the horse that is able to win races frequently occupies a higher niche in the esteem of racegoers than does the racer whose efforts are only occasionally rewarded with the coveted brackets. It is not given to every horse to be what is known as a consistent performer. In fact, in the natural order of things, many must lose where one wins. Therefore a horse that succeeds in winning a considerable percentage of his starts deserves to be accounted above the ordinary. The extraordinary consistency of some horses is unquestionably due to superior training methods, coupled with good judgment on the part of the trainer in placing his charges properly. It is safe to take it for granted that horses showing marked consistency are ruggedly constituted. Some horses seem to thrive on frequent racing, while others, possibly because they are delicate by nature, are kept on racing edge only by the most conservative policy so far as facing the barrier is concerned.

P. S. P. Randolph's Plate Glass, a bay gelding by Plaudit—Eliza Belle, and J. L. Brown's Enfield, a chestnut horse by Star Shoot—Isolec, tied for the distinction of heading the frequent winners of 1911 in America. Both were five-year-olds. Enfield had shown consistency in the preceding year, with a record of twelve firsts, four seconds and twelve thirds out of thirty-eight starts, but Plate Glass had finished unplaced in his only start during 1910. The improvement in Plate Glass was one of the features of 1911 racing. Close behind Plate Glass and Enfield in the matter of frequent winning comes S. A. Clopton's brown filly, Muff, by Ingoldsby—Josie L, and J. W. Burttschell's brown horse, Lawton Wiggins, by Planudes—Rorka. Both of these scored upon fourteen occasions. Arasee, Acumen, Chapultepec, Engraver, Michael Angelo, Love Watches, Lucetta, Lady Rankin and Round the World make up the roll of those that won thirteen races. Racegoers will doubtless find much of interest in the subjoined list of winners of seven or more races during the year just ended:

That the people of this city in general are not as fully acquainted as they should be with the terms of the bill introduced in the General Assembly, and commonly known as the anti-racetrack gambling bill, and that the bill has features which would render it an instrument of possible oppression long after the racetrack question has been forgotten, is the opinion of Representative Arnoldus Vander Horst, expressed in a statement made by him when interviewed by a reporter for The News and Courier. Mr. Vander Horst stated that, in his opinion, the question of the racetrack had overshadowed the more important question of whether or not such a bill, putting under the ban things which are innocent enough, and having, moreover, an injunction feature which, he believed, would be objectionable to the people in this and all other South Carolina communities, should be made a law.

"Aside from the controversy as to the race track," said Mr. Vander Horst, "I would feel that I had done less than my duty if I failed publicly to call attention to the actual terms of the bill which has been introduced for the alleged purpose of suppressing the race track. As a matter of fact, the provisions of the bill make unlawful any operation involving lot, chance or casualty of any kind, and hold the owners of the property responsible for anything of the kind that takes place on the premises. After providing the penalty of fine or imprisonment for the violation of any of its very drastic provisions, it also provides for the enforcement by means of injunction—according to the admission of the author—and without trial by jury. For example, almost every club in the city, cigar stores, even the most innocent forms of raffle, would become unlawful, and the owner of the property alternatively liable. I believe that the question of the race track is entirely overshadowed by the tyrannical provisions of this bill, as it will put in the hands of people one hundred and thirty miles away the power to enforce or not enforce this law according to the exigencies of politics and to select their own particular victims for slaughter.

"This community has had very bitter experience with laws of this character, and I believe that it will be an absolute outrage on a self-respecting community to inflict upon it an absolutely unenforceable law and then hold it up to ridicule because the law is not enforced.

"I should also like to point out that a somewhat similar law passed in New York did not, although very drastic, have this injunction feature attached to it. I am absolutely opposed to government by injunction as I believe that every man in this or any other South Carolina community is. It is absolutely opposed to every principle of right and in direct opposition to the professions of the Democratic party. It is bad enough when decreed by the courts independent of statute; but to recognize the principle of enforcing a law by means of injunction by the General Assembly of the state is to my mind absolutely indefensible.

"If this bill should become a law in its present form, it would be in my judgment one of the most terrible instruments of oppression long after the race track question has been forgotten."

## NEGLIGEE PROMISING FILLY

DAUGHTER OF DISHABILLE WINS TWO-YEAR-OLD RACE AT JUAREZ TRACK.

Selling Platers Provide Afternoon of Formful Racing—Stewards Decide to Make Jockey Denny's Suspension Permanent After Inquiry.

El Paso, Tex., January 24.—A card devoted entirely to the cheaper class of horses was decided at Juarez this afternoon and as usual in such cases, the winners were somewhat hard to pick. Form was well observed in the main, however. The speculation and attendance were right up to the usual standard.

Henry McDaniel uncovered a promising filly in Negligee, a daughter of the good race mare, Dishabille, owned by George C. Bennett. She came from behind her opposition in the final sixteenth and won with great ease from John Hurie and Pat Gannon. Although her form heretofore had not been disclosed, the tip was general that the stable connections thought well of her chances and she went to the post a strong favorite.

The fourth race resulted in a duel between Frank G. Hogan and Light Knight. The pair ran like a team for a furlong, and Frank G. Hogan scored by a neck.

The stewards, after probing deeply into the case of jockey Denny, who was suspended pending further investigation of his riding of Pride of Lismore, today made the suspension permanent.

### AMERICAN HORSEMEN RETURN TO EUROPE.

New York, January 24.—James H. McCormick, trainer of Baron Oppenheim's big racing establishment in Germany, was a passenger on the steamer George Washington of the North German Lloyd Line, which sailed yesterday. Mr. McCormick was accompanied by jockey George Van Benschoten, who will do the lightweight riding for the Oppenheim stable.

Mr. McCormick, who for a score or more years was a foremost owner and trainer in this country, is one of the most successful horsemen in the American colonies now established in Great Britain and Continental Europe. He will have fifty-six horses to prepare at Hoppegarten, a suburb of Berlin, when he returns. Of this vast collection, many were notable winners in the important fixtures decided during the past few seasons. A big percentage of the older division has been named for the important stakes of 1912, and it is predicted that they will earn new laurels in the coming season. The two-year-old aggregation will be represented in the stakes for juveniles on a liberal scale, as Baron Oppenheim is particularly interested in the running of two-year-old events.

George Archibald, of California, and T. Rice, of Chicago, have been engaged to ride for the stable again this year. Archibald is spending the winter months riding on the courses of Bombay and Calcutta, and Rice is riding at Juarez, Mex., which will enable them to keep to weight and be in top form when the racing season in Germany commences.

A. J. Joyner sailed today for England, where he will resume training the horses of Harry Payne Whitney. Joyner was the leading trainer on the American turf several years ago. He developed many stake winners for J. B. Haggin, Sydney Paget, H. P. Whitney and August Belmont, but he decided to seek his fortune in England when the anti-racing laws were passed at Albany. Joyner was at once successful on the British turf. His methods were a revelation and he received unstinted praise from the turf critics on the other side. Mr. Whitney has a larger stable at Newmarket than ever before and Joyner's friends believe that some day he will have the honor of saddling an Epsom Derby winner.

Jockey Willie Shaw has returned to this city after a month's vacation in Oklahoma, where he visited his folks. He will remain in New York until the first of March, when he will leave for Austria to resume his engagement as leading rider for Prince Hohenlohe.

Shaw has received word from Fred Darling, trainer of Prince Hohenlohe's splendid aggregation of horses, that the collection is wintering in a desirable manner. There has been no sickness in the stable, which is located at Budapest, and Darling is greatly impressed with Landluft's condition. Landluft was the crack two-year-old of the dual monarchy last season, and is favorite in the future betting for many of the events for this year.

### FLINT ROCK TO GO TO FRANCE.

New York, January 24.—August Belmont has arranged to ship Flint Rock, the four-year-old son of Rock Sand—Fizgig, to Chateau Villers, his breeding establishment in Normandy, on February 10.

Flint Rock will have every opportunity to become distinguished in the stud in France maintained by the chairman of the Jockey Club. Twenty-seven matrons of royal lineage are domiciled at Chateau Villers, where stands Ethelbert, which gained notabel distinction as a stake winner and sire of horses famous for winning important events at all distances and under all conditions.

Flint Rock's greatest victory in 1911 was when he won the Dominion Handicap at Fort Erie, defeating Ocean Bound, Zeus, Governor Gray, Olambala, Plate Glass, Meridian and others. He ran the mile and a quarter in 2:04⅕. The winning of the Dominion stamped Flint Rock as a colt of high quality.

Flint Rock resembles his sire, a triple crown winner, to a great degree. He is about the same height and his brown coat is identical with that of the Epsom Derby winner. In point of conformation he seems ideal for stud service.

Ferole, a three-year-old colt by Orme, is due on the Atlantic Transport steamer Minnewaska. Ferole will be taken to Mr. Belmont's training stable at Belmont Park and within a fortnight will go to the Nursery Stud at Lexington, Ky., to join the stallions Rock Sand, Hastings, Fair Play and Singleton. Ferole is out of Ferment, one of the best mares raced by Mr. Belmont in recent years on the English turf. Ferment, a daughter of Octagon—Felicia, by The Ill-Used, won the Clumber Plate in her two-year-old form at Nottingham. The following season she beat a good lot decisively in the Canterbury Handicap at one mile and a quarter and she also won the November Handicap, distance one mile and a half, at Manchester, from eighteen starters.

### BILL SOON TO BE INTRODUCED.

Albany, N. Y., January 24.—Within a few days it is probable that another bill will be introduced in the Legislature for the purpose of relieving the owners and directors of race tracks of the liability for gambling practiced on the tracks without their knowledge, similar in its provisions to the Gittins bill which was passed by the Senate last year, but failed to pass in the Assembly.

### HERMIS A GOVERNMENT STALLION.

New York, January 24.—It was news in racing circles today that Hermis, the famous American stallion recently sold to Edmond Blanc for $4,000, will become the star of one of the French government's breeding establishments for the improvement of military horses.

## H. M. ZEIGLER'S FRENCH STRING.

H. M. Zeigler, who recently sold the American sire Hermis to M. Edmond Blanc to replace Flying Fox, has a considerable string of horses in training that he will race over the French courses during the coming season. Mr. Zeigler last year figured among the owners of France, but for 1912 his stable is more pretentious than ever.

At present the string is made up of thirteen horses, twelve of them being three-year-olds and one a five-year-old mare.

Following is the stable:

## GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., January 24.—Col. William L. Simmons, one of the oldest and best known of American turfmen, is ill of pneumonia at his residence in this city. Colonel Simmons was first prominently identified with the trotting turf and was the owner of the famous horse George Wilkes Simmons. From the trotters he turned to the thoroughbreds and bred a number of good runners, among them being Belle Bramble.

J. C. Milam shipped his string of fourteen to Charleston tonight.

William Woodard, whose horses went to Charleston with those of W. J. Young, will leave for the South Carolina track tomorrow.

## NOTES OF THE TURF.

Jacobite was the first horse to circle the new track of the Charleston Fair and Racing Association in work.

"Alec" Carter, the noted French steeplechase rider, who is serving his time in the army, recently obtained eight days' leave of absence in order to ride at Nice, and then won for the third year in succession the big hurdle race, valued at about $15,000. The winning horse was Sofa, owned by James Hennessy. Sofa is a four-year-old bay gelding, by Grey Plume—Ninon.
